*Rolly's Diner* was opened in 1993 by mother and son team, Rolande and Kenneth Blais. Now, over 25 years later, a third generation of Blais are involved in running the diner. Rolly's love and commitment for their community has been recognized over the years; but the spirit of community right inside the diner is our #1 honor. Whether you're meeting old friends, new friends, family or just come in to visit - we welcome you to sit and enjoy the homestyle cooking and company. You may even meet a local celebrity or politician! The menu here is so diverse, ranging from staple diner plates to old family recipes that we cherish, and most of which are made from scratch with locally bought products. Make sure you check the specials when you come in...you never know what you will find and it may only be at Rolly's that you find it.
